

Northern Communities Land Trust Upcoming Homes Winter 2011-Spring 2012

These homes will be renovated by Common Ground Construction, the Land Trust's construction company. The goals are to update the major systems of the home, to improve energy efficiency, to increase indoor comfort, health and safety, to use products that are durable and sustainable, to have a home that is affordable to purchase and to maintain, and to be an asset to the neighborhood. Homes are sold 20-30% below market value to income eligible households.
